

Refund Policy

Returns

"Our business model does not support return policies"

Refunds (if applicable)

Once your booking is canceled and inspected, we will send you an email to notify you for the same. We will also notify you of the approval or rejection of your refund.

If you are approved, then your refund will be processed, and a credit will automatically be applied to your credit card or original method of payment, within a certain amount of days.

Late or missing refunds (if applicable)

If you haven't received a refund yet, first check your bank account again.

Then contact your debit/credit card company, it may take some time before your refund is officially posted.

Next, contact your bank. There is often some processing time before a refund is posted.

If you've done all of this and you still have not received your refund yet, please contact us at **contact@travelaccuracy.com**.

Re-Schedule or Cancel your itinerary within the given time (if applicable)

We will help you to modify your itinerary or cancel the event if you'll let us know before the token amount is given to Suppliers (DMC's). Send us an email at **contact@travelaccuracy.com**.
